Operation Roundup

Operation Roundup is a great way for you to contribute to our scholarship fund. How does it work? Each month your bill is rounded up to the next dollar. For example, if your bill is \$25.50 you would pay \$26.00 and \$.50 would go into the scholarship fund. If you would like to contribute to our scholarship fund you can call our office or fill out a form available on our website and mail it in. All contributions are tax deductible.

Beat the Heat!

When temperatures start to rise this summer stay cool and save on your bill!

- Keep windows and doors closed when your air conditioner is on.
- If possible, have air conditioning units installed on the shady sides of your home.
- Make use of portable fans and ceiling fans. Turn them off when not needed for energy savings.
- Install awnings or blinds on windows to limit direct sunlight into your home.
- Keep your thermostat at a set temperature instead of turning it on and off repeatedly.
- For more ways to keep your home energy efficient during the summer visit touchstoneenergy.com
